

Town of Alpine Plans for the Rural Resource Team

The Town of Alpine in Lincoln County is hosting a Rural Resource Team visit September 29th & September 30th 2008.

The Resource Team is being invited into our community to assist us by:

- Developing an objective community assessment based on community input.
- Holding Listening Sessions for the community- at- large.
- Facilitating a Resource Team Town Meeting.
- Delivering a Resource Team Report to the community, complete with Resource Team Members' personal recommendations.
- Providing Post-Resource Team support and follow-up.

The resource Team is made up of a panel of knowledgeable individuals from outside the community who are actively involved in some area of rural community development. The Resource Team Members volunteer their time and services as a Resource Team Member.

The community is invited to attend Listening Sessions, which are held all day on Monday September 29th and on Tuesday morning September 30th, in order to answer the following three questions:

- 1) What are the major problems and challenges in your community?
- 2) What are the major strengths and assets in your community?
- 3) What projects would you like to see accomplished in your community in the next two, five, ten and twenty years?

In an effort to foster as much community participation as possible, community sectors have been requested to publicize the Resource Team visit and to recruit individuals to attend the Listening Sessions. All community members are invited to attend one of the Listening Sessions, even if they have not been previously contacted.

For information on our Resource Team effort, the listening Session Process, or the Listening Session agenda, contact Town Hall employees at 654-7754 during regular business hours.
